O R D E R

In the proceedings 2nd read above, the Chief Engineer, Godavari Delta System, Dowlaiswaram have accorded permission to M/s The Andhra Sugars Ltd., Chemicals & Fertilizers Division, Saggonda, West Godavari District for drawl of 15000 KLD (6.131 Cusecs) of water from River Godavari for consumptive use for industrial purpose for a period of 1 year i.e. from 13.12.2018 to 12.12.2019 at the rate of Rs. 5.50 per 1000 gallons, duly prescribing the terms and conditions.

2. In the letter 5th read above, the Engineer-in-Chief, Water Resources Department, Vijayawada has recommended the renewal proposal to Government to accord permission to M/s Andhra Sugars Ltd., Chemicals & Fertilisers division, Saggonda Village, Gopalapuram Mandal, West Godavari District, for renewal of drawl of 15000 KLD of water from Akhanda Godavari River Bund, Gutala for further period of 3 years i.e. from 13.12.2019 to 12.12.2022 subject to the usual terms and conditions.

3. After careful examination of the matter, Government hereby accord permission to M/s Andhra Sugars Ltd., Chemicals & Fertilisers division, Saggonda Village, Gopalapuram Mandal, West Godavari District, for renewal

(P.T.O)

of drawl of 15000 KLD of water from Akhanda Godavari River Bund, Gutala for further period of 3 years from i.e. 13.12.2019 to 12.12.2022, subject to the following terms and conditions as was prescribed earlier in the proceedings 2nd read above:

i. The Water can be spared based on the availability of water in the river Godavari.
ii. The water drawn from the river should be utilized for the purpose for which permission is granted.
iii. The firm has to pay water charges for the estimated quantity in advance as fixed by the Department.
iv. The consumptive utilization calculated per day fixed by the Department should not exceed under any circumstances.
v. Water meters and measuring devices should be installed at the pump house by the industry at their own cost to measure the water consumed and should be made available to the Department authorities at all times for inspection.
vi. The firm should pay security deposit fixed by the Department for which permission is granted and also all pending dues payable to the department must be paid immediately.
vii. A detailed plan showing the location of intake arrangements, pump house, alignment of pipe line and conveyance system should be furnished to the department, for approval.
viii. The firm should pay water royalty charges as per the existing rates @ Rs.5.50 /1000 gallons fixed by the Government and subject to revision by the Government from time to time.
ix. The industry should make its own arrangements for summer storage during summer period.
x. The Irrigation Department is no way responsible for non supply of water due to any reasons.
xi. The entire cost of construction of pump house, pipe line etc., should be borne by the industry only.
xii. The industry must strengthen the channel margin on either side of the proposed pump house/off take point to avoid erosion of bank and to protect the existing channel margins as directed by the Department.
xiii. The Department is in no way responsible for any damages that may occur to the off take point and pump house during floods.
xiv. This Department is not responsible for any dispute that arises with neighbouring industries and public and any legal matters.
xv. The firm should not create any objection to the raising and widening of river bank, and they have to relocate the pump /off take point if necessary, with their own cost.
xvi. The industry should abide by any other conditions laid by the Department at later date.
xvii. The Irrigation Department reserves the right for cancellation of the permission without assigning any reasons thereof.

(P.T.O)

xviii. Water can be spared only after meeting the demands of drinking water and agricultural water demand.

xix. The storage tank should be constructed sufficient to store the requirements for non supply period for water drawl from canal.

xx. The point of drawl should be as fixed by the Department.

xxi. The company holds no right over the water permitted to draw. Priority will be given to drinking & irrigation needs.

xxii. The Executive Engineer, G.H. Division, Dowlaiswaram will be responsible for enforcing the conditions and collecting water royalty charges.

xxiii. The Executive Engineer, G.H. Division , Dowlaiswaram is instructed to ensure that the allocated water for M/s. Andhra Sugar for industrial use is within 10% of the reserved water for industrial purpose.

xxiv. The company holds no right to claim that they have to draw the water to fullest extent. Priority is given to drinking and irrigation needs.

xxv. The royalty charges on water as applicable shall be realized by the Water Resources Department on monthly basis.

4. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, the Chief Engineer, Godavari Delta System, Water Resources Department, Dowlaiswaram and the Collector & District Magistrate of West Godavari District shall take necessary action accordingly.
